

An easy and convenient way to pay

Online payments is the information system through which it is possible to pay taxes and services managed by Alto Adige Riscossioni Spa on behalf of the member bodies.

A simple and safe management tool

Account statement allows, by registering to the service, to monitor the documents paid and payable to the member bodies and eventually make the payment.

If you can't find your Administration directly, look in the menu's like "Other organizations>". Groups of Administrations have a ">" at the end.

After selecting the right Public Administration and clicking on the name of the tax on the left side, we have different types of payment possibilities:
